RESOLUTION GIVING NOTICE OF PROPOSED ANNEXATION OF UNINHABITED TERRITORY DESIGNATED AS "LAUREL CANYON ADDITION NO. 2"

BE IT RESOLVED BY THE COUNCIL OF THE CITY OF LOS ANGELES AS FOLLOWS:

Pursuant to the provisions of the Annexation of Uninhabited Territory Act of 1939, being Article 5, Chapter 1, Part 2, Division 2 of Title 4, Sections 35300 to 35326 of the Government Code, NOTICE IS HEREBY GIVEN that the Council of the City of Los Angeles upon its own motion and without requiring a petition therefor hereby initiates proceedings to annex to the City of Los Angeles certain uninhabited territory contiguous thereto and situated in the County of Los Angeles.

The boundaries of the territory so proposed to be annexed are specifically described as follows:

Beginning at the most northerly corner of Lot 11, Tract No. 13101, as per map recorded in Book 280, Pages 1 to 9, both inclusive, of Maps, in the office of the County Recorder of the County of Los Angeles, said corner being in the westerly boundary of said tract and in the common boundary of the Cities of Beverly Hills and Los Angeles, as the same existed May 1, 1957; thence northerly, along said common boundary to the northwest corner of the Southeast 1/4 of the Northwest 1/4 of Section 12, Township 1 South, Range 15 West, S.B.B.M.; thence, continuing along said common boundary, as shown on said map of Tract No. 13101, South 88° 57' 14" East 304.00 feet; thence South 1° 02' 46" West 52.50 feet; thence South 86° 57' 14" East 11.50 feet to the northerly terminus of that certain course in the westerly boundary of Tract No. 13101, shown on said map thereof as having a bearing of North 5° 10' 19" West and a length of 139.79 feet; thence, in a general southerly direction, along said westerly boundary, and following the same in all its various courses and curves, to the point of beginning.

Such territory is hereby designated as "Laurel Canyon Addition No. 2." The boundaries thereof as set forth above were, on May 29, 1957, reported upon and approved with respect to definiteness and certainty by the Boundary Commission of Los Angeles County.

NOTICE IS ALSO HEREBY GIVEN that the 18th day of December, 1958, at the hour of 10:00 o'clock A.M., in the Council Chambers of the City of Los Angeles located in the City Hall, 200 North Spring Street, City of Los Angeles, State of California, is the time when and the place where the Council of the City of Los Angeles will hear protests made by any persons owning real property within the territory the boundaries of which are hereinabove described, and any persons having objections to such proposed annexation may appear before the Council of the City of Los Angeles at such

time and present their protests to the proposed annexation. At any time before the hour set for hearing objections, any owner of property within the territory proposed to be annexed may file written protest against the annexation. The protest shall state the name of the owner of the property affected and the description and area of the property in general terms.

That said territory is, and upon the annexation thereof to the City of Los Angeles it shall continue to be, a part of the Los Angeles City Junior College District, of the County of Los Angeles. Said territory shall become, upon its annexation to the City of Los Angeles, a part of the Los Angeles City School District and of the Los Angeles City High School District, both of the County of Los Angeles.

The reasons of said Council for desiring to annex said territory to the City of Los Angeles are:

That said territory constitutes a portion of a larger parcel of land, the remainder of which lies within the City of Los Angeles and is being used by the Department of Water and Power of that City as a water reservoir and the annexation of the subject territory to the City of Los Angeles is desirable in order to eliminate the jurisdiction of two governing bodies over such facilities.

The City Clerk is hereby instructed to cause a copy of this resolution to be published at least twice, but not oftener than once a week, in a newspaper of general circulation published in the City of Los Angeles, and also in a newspaper of general circulation published outside the City but in the County of Los Angeles, such publication to be complete at least twenty days prior to the date set for the hearing.

The City Clerk shall also cause written notice of such proposed annexation to be mailed to each person to whom land within the territory proposed to be annexed is assessed in the last equalized county assessment roll available on the date the proceedings were initiated, at the address shown on said assessment roll or as known to said Clerk, and to any person who has filed his name and address and the designation of the lands in which he has any interest, either legal or equitable, with said Clerk. In the event any land within the territory proposed to be annexed is owned by a county, the City Clerk shall also cause written notice of such proposed annexation to be mailed to the board of supervisors of such county. Such notices shall be given not less than twenty days before the first public hearing on the proposed annexation.

I HEREBY CERTIFY that the foregoing resolution was adopted by the Council of the City of Los Angeles at its meeting of October 23, 1958.

City Clerk.

RESOLUTION NO. 2481

A RESOLUTION CONSENTING TO THE PROPOSED
LOS ANGELES DETACHMENT NO. 1.

The City Council of the City of Beverly Hills does resolve,
declare and determine as follows:

Section 1. That a written request dated April 27, 1956 has been received from Mr. William S. Peterson, General Manager and Chief Engineer of the Department of Water and Power of the City of Los Angeles, requesting the City Council of the City of Beverly Hills to initiate appropriate proceedings for the detachment of a parcel of land now within the corporate limits of the City of Beverly Hills which parcel of land is owned by the Department of Water and Power of the City of Los Angeles and forms a portion of the drainage area on the easterly side of the Franklin Canyon Reservoir owned by the said Department of Water and Power. The Manager of the Water Department of the City of Beverly Hills, the Director of Public Works of the City of Beverly Hills, and the Administrative Officer of said City have recommended that said parcel of land be detached from the City of Beverly Hills in order that it may be annexed to the City of Los Angeles. The Director of Public Works has checked the legal description of the said parcel of land and has determined that it does include only land owned by the Department of Water and Power of the City of Los Angeles, and that its detachment from the City of Beverly Hills would not affect any public street or private residential property within the City of Beverly Hills and that it will not adversely affect the said City or its citizens. Said parcel of land is described as follows:

OF BEVERLY HILLS FOR THE PURPOSE OF ANNEXATION

CANYON RESERVOIR SITE) TO BE KNOWN AS LOS ANGELES
